The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \longrightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \longrightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TORONTO, 24th OCTOBER.

To the Representatives in Grand Division assembled :

BROTHERS,—The pleasure of meeting you again in Grand Division, is enhanced by being able to report the state of the Order as sound and healthy.— You will learn from the Report of the Grand Scribe, that in the first quarter of the last half-year, the numerical strength of the order has increased by about 600, and within the year the increase has been about 2400 members.

I regret that our financial condition is not so promising as it has been at any time for some years past. The heavy expenses incident to an active, and I trust useful administration of the Executive affairs of the Order, have consumed nearly our whole revenue. It may, perhaps, be well to inquire if it would not be wise to increase the Capitation Tax to such an extent as would place larger means at the disposal of the Executive Officers of the Institution.

I am persuaded that the success of the order in the last twelve months may be attributed in a large measure to the introduction of the social feature in our work.

Several complaints have reached me through my deputies and other officers of the Institution, in relation to the restrictions which seem to exist in subordinate Divisions, in regulating the amount of dues payable by members. I recommend an earnest enquiry into the propriety of placing the subject of dues more entirely within the control of Divisions.

The success which has attended the labors of the Sons of Temperance up to this time, promises that with an equal industry, energy, self-denial and devotion to our principles, we shall finally succeed in our great and arduous undertaking. In 1849, when the order of the Sons of Temperance was introduced into this country, there were not perhaps one hundred men in Canada who had conceived the idea, or who would have listened with patience to the suggestion of a "Maine Law." In 1854, five short years, and some 80,000 of our adult population testified their conviction, not only of the feasibility, but of the necessity of such a law; and this class of the community are daily on the increase.

Great reforms yielding great blessings are not appreciated and measured so much by their real intrinsic worth, as by the labor and pains and disappointments which have attended their promotion; we may therefore gather encouragement and hope for the future, from the very circumstances which now damp our ardour, and discourage our efforts. Apart from this consideration, however, we must not forget our duty to ourselves, to society, to our country and to our God; having been persuaded that our cause is just, and our principles sound, we must persevere amid all difficulties and discouragements, until our great end is fully and satisfactorily accomplished. No doubt many have been discouraged, and have believed that the reward sought was inferior to the labour of acquiring it. This is natural, and was to be expected, but the more energetic and courageous will continue the war, remembering that the greater the labor the greater the reward. Refer to the great who have suffered and even died in the cause of humanity in times past, and imitate and emulate their glorious example. Let us not forget the past in the immediate department of our labors, filled with so much misery and horror—compare it with the present, and behold how much has been done; and although, alas! too much misery remains to make the picture of the present tolerable to look upon, yet as compared with the past, who shall say that no reward has passed into the sympathizing heart of the laborer. On these considerations let us build a hope of a glorious future.

The time has now arrived when we must again prepare for the contest in the Legislature. I trust that greater industry and energy will be employed

243

than has ever yet been shewn in preparing and circulating petitions. I do not doubt but that the number of petitioners may easily be doubled before the next Session of Parliament; and I sincerely trust that no care and no labor will be spared in a work so necessary to insure success.

I beg to refer you to the Report of the G. Treasurer for the particulars of the Financial affairs of the Order; and to that of the G. Scribe for Statistical and other information relating to the condition of the Order.

I have great pleasure in availing myself of this occasion to acknowledge my large indebtedness to the Grand Scribe, for the zeal, integrity and ability with which he has conducted the affairs and watched over the interests of the Order.

All of which is respectfully submitted in the bonds of the Order,

H. R. O'REILLY, G. W. P.

The G. W. P.'s Report was referred to a Special Committee, composed of Representatives J. T. Byrne, D. B. Chisholm and A. Knapp.

The G. Scribe submitted the following

R E P O R T.

OFFICE OF GRAND SCRIBE, }
OCTOBER 20th, 1855.

To the Grand Division, Sons of Temperance, C. W.

OFFICERS AND REPRESENTATIVES,—The following statement of the principal transactions in this Office, since the last regular Session of the Grand Division, is respectfully presented as my second Annual Report.

Immediately after the adjournment of the May Session, a Synopsis of its important transactions were forwarded as usual, and the G. D. proceedings were prepared for the press, printed and distributed within one month.

A Circular explanatory of the manner in which subscriptions were solicited in aid of the C. P. L. L. League was distributed to the various Subordinate Divisions, which mode of Assessment did not meet the approval of the Executive Committee of the League, and that body respectfully submitted to the G. D., that the following plan would better meet the object desired, viz.:—"That the subscriptions be Annual, and continue for five years." The Secretary of the League favored this office with a copy of said resolution, which will be submitted to this G. D.

A Circular was also prepared, and 1999 distributed without delay to several Ministers of Religion, to all Religious Conferences, Synods, and Congregational Unions, to the Subordinate Divisions under this jurisdiction, and of G. D., Canada East, to Lodges of G. Templars, and to all known Temperance organizations in Canada, inviting them to appear by Delegate, or otherwise, at the Provincial Convention now about to be held in this city. Subsequently a response to the call issued by this G. D., has been advertised in several leading newspapers, signed by the heads of Temperance Organizations, which announcement and respectful invitation was deemed desirable; and we trust that the deliberations of this Convocation may prove signally successful, and that thereby new zeal, and enlightened enthusiasm may pervade all the departments of our Order.

In respect to the influence of the Order upon community, we are able to report, that it maintains its impulsive power; and judging from the large accession to our ranks of new members of a superior class, that its influence is evidently widening and deepening. I am constrained, however, to state that probably the average attendance of members at our weekly meetings does not exceed one-third.

There is, however, an obvious improvement amongst those Divisions which have admitted Female Visitors, and which have introduced and adopted the Degrees.

The By-Laws for the guidance of Degree Divisions have been compiled and supplied to Degree Divisions; but as our wants become better known, other laws will be required. To secure as much uniformity as may be practicable, amongst other additions the following are respectfully suggested, viz.: That the time of meeting be after the Sessions of the Subordinate Divisions, and that one evening be designated for the First Degree, the next Regular Meeting for the Second, and the next for the Third, or as the Degree Division may determine; also when the Termus commence and expire semi-annual or annual, at which the Degree Officers should be elected.

In accordance with instructions of the Grand Division, I have compiled a digest of the Laws of the Order, comprising Constitution of the National, Grand and Subordinate Divisions, Revised Rules, By-Laws, and Rules of Order of C. W., as amended, Resolutions, Forms and Decisions, and a complete digest of the Proceedings of the National and Grand Division from their commencement to the present time; from these authentic sources I have with much trouble and labor prepared in alphabetical order, a complete Manual and Book of Reference of the Laws and Usages of the Order.

If the G. D. approves of the work, it will be important to provide at the present Session for an edition to be immediately prepared and printed.

The edition of 5000 of Rev. Mulkins' M. L. Report, were promptly printed, and a Specimen Copy sent to each Division soliciting orders.

One copy sent to each M. P. P., and Honourable Members of Legislative Council, to 101 editors of Newspapers, and donations of 500 to C.P.L.L. League, and 100 to Rev. H. Mulkins.

This Report has been favourably noticed by various public journals, and duly advertised; and copies of the work have been left on sale at the Book Stores in the principal Cities and Towns.

Only nineteen Divisions have purchased the work, viz.: 1500 copies, value £18 11s. 6d., leaving upwards of 2500 copies on hand.

The following Communications, Appeals and Petitions have been received during the recess of the G. D.

Communication from the M. W. Scribe, with balance of account.

" " St. Andrew's Division, Canada East.

" " H. W. Jackson, Secretary C. P. L. L. League, with extracts from Minutes of Meeting of Committee, and Donation of Messrs. Farewell and Ure's Report, (500 copies.)

Appeal of John Coyne against decision of St. Thomas Division, No. 196.

" L. A. Betts, against decision of Frankford Division, No. 70.

Petition of Dixon's Corners Division for a new Charter.

(43.) Forty-three Divisions have been supplied with the Degree work, which Degree Books and Cards have been procured of the M. W. Scribe, when required in parcels, of twelve sets in each; the stock again being exhausted, this office has just received twelve more sets, which will be forwarded to Divisions now requiring them.

(189.) One hundred and eighty-nine Subordinate Divisions have been supplied with the Form for the admission of Female Visitors, and from the partial reports received of Ladies admitted in June quarter, we find there was 387 returned as members.

A New Ritual for the admission of Female Visitors into the Order of the S. of T., was approved and adopted by the N. D., a copy of which has just been received from the M. W. S., and either this Ritual or the Form on Card may be used at the option of the Divisions. It will be necessary that this G. D. procure a supply of the Ritual, for the use of Divisions under this jurisdiction, a copy of which is respectfully submitted.

The Committee on the G. W. P.'s Report submitted the following

R E P O R T .

COMMITTEE ROOM, TORONTO, 26th October, 1855.

To the Grand Division of the Sons Temperance of C. W., in G. D. assembled.

The Committee to whom was referred the Report of the G. W. P. beg leave to present the following Report:—

Your Committee rejoice to learn from the brief but comprehensive report of the G. W. P., that the state of the Order is sound and healthy, and that the numerical strength during the year has been about 2400 members, which they consider a cause of devout thankfulness to Almighty God, whose blessing is so essential to the success of the great objects contemplated by our Order.

Your Committee regret that the financial condition of the Order is not in so promising a condition as could be desired, but think that extreme caution is necessary in following out the suggestion of the G. W. P. to increase the capitation tax; still they think it worthy of consideration how far it can be done with propriety, so as to augment the funds requisite to meet all necessary demands.

To meet the complaints referred to by the G. W. P. in relation to the restrictions which seem to exist in subordinate Divisions in regulating the amount of dues payable by members, your committee think it would be advisable to place the matter of dues more entirely within the control of Divisions.

Your Committee congratulate the G. D. on the success which has heretofore attended their efforts in the agitation of a Prohibitory Liquor Law for Canada: and they earnestly recommend that the members of our noble Order should cheerfully co-operate with the members of the Canadian Liquor Law League, and all other friends of the great measure, to secure its adoption by our Legislature.

Your Committee conceive, that from the position and influence of the Order in this growing Province, all its members are specially required at the present time to evince renewed energy and zeal in prosecuting the objects of this important organization. As the G. W. P. justly remarks—"Having been persuaded that our cause is just, and our principles sound, we must persevere amid all difficulties and discouragements until our great end is fully and satisfactorily accomplished."

Your Committee consider that the suggestions to prepare and circulate Petitions to our Parliament to secure a Legislative enactment somewhat similar to the Maine Law, should receive a hearty response; and they sincerely hope that the Sons of Temperance will do their part in rousing the country to vigorous exertion in this respect.

Your Committee most respectfully suggest to the Sons of Temperance generally, the desirableness of their sustaining the efforts of the Press, in connexion with other agencies, that the country at large may be imbued with correct principles in relation to the temperance enterprise.

Your Committee cannot close this brief report without congratulating the Grand Division on the choice of their chief officer, and upon the manner in which he has performed the arduous and responsible duties devolving upon him.

All of which is respectfully submitted in the bonds of the Order.

JAMES T. BYRNE, *Chairman.*

A. KNAPP.

D. B. CHISHOLM.

257

On motion the Report was adopted.

Moved by Rep. J. McKellican, seconded by Rep. Dr. Van Norman,—That the Grand Division of the Sons of Temperance of C. W., view with extreme sorrow, and thorough indignation, the conduct of those members of the Provincial Legislature, who at the last Session of Parliament, by a dishonourable subterfuge, prevented the Prohibitory Bill becoming Law; that as a body, we shall bear their conduct in remembrance, by putting forth our influence to prevent those persons, or any of such character, having an opportunity of acting in a similar treachery, thus perpetuating in our Province the greatest of all evil—the Liquor traffic.—*Lost.*

Moved by Rep. A. Farewell, seconded by Rep. J. A. Williams,—That during the late Session of the Legislature, the unceremonious manner in which the Prohibitory Bill before that body was defeated, produced extreme regret throughout the Subordinate Divisions of Canada West; and to this present moment the members of the Grand Division have been unable to satisfy themselves that any just reason existed why the prayer of 80,000 petitioners should have been so unceremoniously disregarded; and that in the opinion of this G. D., such ill-treatment will not soon be forgotten by the friends of Temperance throughout Canada.—*Carried.*

Moved by G. W. A. Van Norman, seconded by Rep. A. B. Purdee,—that in reference to communications of Messrs. Hawkins and Moncrieff, this G. D. does not feel it expedient at the present time to take any steps in reference to the employment of travelling lecturers.—*Carried.*

On motion the G. D. adjourned to meet at 2 o'clock, P.M.

AFTERNOON SESSION.

The Grand Division met pursuant to adjournment;
the Grand Worthy Patriarch presiding.

Vacancies filled:—

Rep. J. Short, G. Chaplain,

" A. B. Pardee, G. Treasurer.

Services of Grand Chaplain.

The Grand Division opened in due form.

The Committee on Appeals submitted the following

REPORT.

To the Grand Worthy Patriarch.

Your Committee to whom was referred the appeal of L. A. Betts, P. W. P. of Frankford Division, No. 70, and others, beg leave to report that John Wilson ceased to be a member of the Division from the date the card of withdrawal was granted. And we are further of the opinion that the card should have been dated at the time it was granted. And we are of opinion that at the time the card was voted, John Wilson ceased to have any further claims or privileges upon the Division.

Your Committee beg respectfully to report in the case of the appeal of John Coyne, R. Scribe of St. Thomas Division, No. 196, against the decision of the Worthy Patriarch: be sustained.

Committee Room, Oct. 26th, 1855.

On motion the Report was adopted.

Committee on Grand Scribe's Report submitted the following

REPORT.

COMMITTEE ROOM, TORONTO, OCT. 26th, 1855.

To the Grand Division, Sons of Temperance, C. W.

Your Committee to whom was referred the Grand Scribe's Report, beg leave to report.

That we regret to learn that there exists to a very great extent an indifference to the regular weekly meetings of Subordinate Divisions, and would remind the Order that too much importance cannot be attached to regularity of attendance, and that the efficiency of the Order can only be preserved and sustained by punctuality in all things great and small.

It is satisfactory to know that the resolutions of former Grand Divisions recommending and making provision for the admission of female members to Subordinate Divisions has operated so beneficially upon the Order, that we would commend the entire order to avail themselves of the privilege thus provided; and would recommend to Divisions generally, the adoption of the New Ritual recommended by the National Division, and confidently hope that this, as well as every other extension of principle, will be found beneficial to the interests of the Order generally.

259

In the present state of the Order it is gratifying to witness the influence of Degree Divisions—that the binding and cementing influence of these Divisions recommend them to the favorable consideration of the various Subordinate Divisions as a means most beneficial in revising, strengthening and consolidating the interests of the Order, and would recommend that the suggestions of the G. S. respecting the Degree Division be adopted.

That it is necessary that this Grand Division should take such measures as would facilitate the publication of the revised rules, and further that when published a copy be furnished by the G. S. to every Subordinate Division at their charge, and to every D. G. W. P. at the charge of this G. D.

That while we have cause to regret that so many Divisions have given up their charters during the past year, yet had cause for gratitude in the number of new Divisions established, and the number reconstituted, and the general healthy condition of the Order.

Your Committee are impressed with the efficiency and credit with which the duties of the G. S. has been conducted; and that the Order are under obligations to the G. S., for the zeal and industry with which that department has been sustained.

All of which is respectfully submitted,

JOHN MOFFATT.
JACOB RUSSEL, Jr.
JOHN A. WILLIAMS.

On motion the report was adopted.

Moved in amendment by Rep. R. Diek,—that the Report be adopted, except the clause referring to Degree Divisions.—*Lost.*

The Grand Conductor introduced Rep. Milne of Har-vest Home Division, who was duly obligated.

Moved by Rep. A. B. Pardec, seconded by Rep. C. H. Van Norman,—that the sum of three pounds be paid to Rep. T. Nixon, for his services as Assistant Grand Scribe during the present Session of the Grand Division.—*Carried.*

Moved by Rep. A. B. Pardec, seconded by Rep. T. Nixon,—that the Grand Division most cordially recommend Bro. John Moffatt to the honourable and kind regard of the Divisions of the Sons of Temperance, and Temperance people generally, in the capacity of a Temperance Lecturer; in the event of his exercising his talents in that capacity.
Carried.

The Committee on the Digest of the Laws of the Grand Division, submitted the following

REPORT.

COMMITTEE ROOM, TORONTO, OCT. 26th, 1855.

To the Grand Worthy Patriarch:

Your Committee to whom was referred the Digest of our Laws, compiled by Bro. E. Stacey, G. S., in accordance with a Resolution passed by this G. D., at the Semi-annual Session in May last, beg leave to report—that owing to the

lateness of the hour in which the same has been submitted to your Committee, sufficient time does not exist before the close of the present Session to thoroughly criticise the whole work, but from the portions examined, as well as from the generally acknowledged and tried ability of Brother Stacey, your Committee have every confidence in the utility and correctness of the work, and would recommend that one thousand copies of the same be printed as speedily as possible for distribution among the S. D.'s and members of this G. D., in the proportion of one to each. The extra numbers, if any remain, to be kept on sale by the G. D. to members of the Order wishing to purchase for their own private use. Your Committee would also recommend that suitable remuneration be promptly tendered to Brother Stacey for his valuable services.

All of which is respectfully submitted in the bonds of the Order,

J. G. ELWOOD,
J. B. CHOATE,
JOHN MOFFATT.

Moved by Rep. C. Manson, seconded by Rep. —. Davidson, That the Report be adopted.

Moved in amendment by Rep. J. T. Byrne, That the Report be referred back to the Committee to amend, by striking out 1000, and inserting 2000.—*Carried.*

Moved by C. H. Van Norman, G. W. A., seconded by A. B. Pardee, P. G. W. P., and Resolved, That our Representatives to the next meeting of the National Division, be, and are hereby instructed to apply for, and if possible secure the establishment of a National Division for British North America, with powers similar to those of Great Britain and Ireland.—*Lost.*

Moved in amendment by Rep. T. Nixon, seconded by Rep. J. Hargrave,—Whereas it does not appear by the Minutes of the National Division, that the Representatives of this body to the National Division, held at Charleston, S. C., asked for the establishment of a National Division for British North America. Be it therefore Resolved,—That the Grand Scribe be instructed to lay before the National Division, under the Seal of this body, our wishes on this most important matter, and that we again instruct our Representatives to the National Division to support the determination of this body on the subject.

The amendment being put, was declared carried.

261

McKellican,—that a Select Committee be appointed to employ some competent person to procure official statistics of the Province, as might be considered beneficial in promoting the cause of Temperance, and that said Committee be composed of the following, viz.:—G. W. P., G. W. A., G. S., and the P. G. W. P., and Representatives A. B. Pardee, P. G. W. P., and A. Farewell, P. G. W. P.—*Lost.*

Moved in amendment by C. H. Van Norman, G. W. A., seconded by Rep. A. B. Pardee,—that the members of this G. D., and of the Order and friends of Temperance generally, be requested to obtain all the Statistics they can bearing upon the Liquor traffic, and forward them to the G. Scribe previous to the next meeting of this body.—*Carried.*

Moved by Rep. R. Dick, seconded by Rep. Wilmot,—that this Grand Division appoint ——— as an agent or lecturer, to act under the authority of this body, in promoting its objects by organizing new Divisions, visiting old ones, and all other Temperance organizations, labouring with them and among all men for the speedy attainment of a Prohibitory Liquor Law for Canada, and for the subversion of all the inebriating usages of society; also, to raise funds by subscription from individuals and organizations, *and not otherwise*, so that the subscription books shall show to every person or organization wishing to inspect them, every sum and the name of its contributor, *without exception*; each deputy or agent to enter upon the work with the distinct understanding that his salary shall in no case be greater than the avails of his own personal efforts in collecting subscriptions as above, nor in any case exceed the rate of £200 per annum for any given period—this rate to include all claims of the agent or lecturer for expenses and charges of every kind; all monies above said rate of £200 per annum to be sent to the G. The Committee appointed to report on the petition of the Grand Secretary of the Cadets of Temperance, C. W., presented the following

R E P O R T.

COMMITTEE ROOM, TORONTO, Oct. 26th, 1855.

Officers and Representatives in Session assembled:

Your Committee to whom the petition of the Grand Secretary of the Grand Section of Cadets of Temperance of C. W. was referred, beg leave to report—that we regret the fact, that the Cadets of Temperance no longer exist as a body; and that the order is indebted to the amount of £45 9s. 6½d. The laudable efforts of Bro. Nixon to sustain that order should be only known to be appreciated by all the friends of Temperance. Your Committee sympathise with the worthy brother in his present position, and regret that our funds are so low that we cannot recommend the immediate payment of the amount due to Bro. Nixon, and would therefore suggest that the account be filed among the papers to be brought up and acted upon at the next Session of this G. D.

C. MANSON,
JOHN MOFFATT,
JOHN A. WILLIAMS.

On motion laid on the table until next Session.

Moved by Rep. A. Farewell, seconded by Rep. J. B. Choate,—that our Representatives to the N. D. be instructed to recommend an alteration of the Constitution of Subordinates, so as to allow the admission of persons as young as 14 years of age.—*Carried.*

Woodall,—That inasmuch as the Order of Cadets of Temperance has ceased to exist as a body, therefore resolved,—That the several Subordinate Divisions be authorized and recommended to organize in localities where it may seem desirable, Juvenile Branches similar to the Cadets of Temperance, to be entirely under the jurisdiction and management of the Sons of Temperance; and that a suitable password be furnished them from time to time by the Grand Scribe, and the Officers to be installed by the Deputies of this Grand Division, or such other Brother as may be appointed by the D. Grand Worthy Patriarch, presiding.

Vacancies filled. The G. D. resumed business.

Services of Grand Chaplain.

Moved by Rep. J. Hargrave, seconded by Rep. R. Sherin,—that Rev. J. E. Ryerson, P. G. W. P., be our paid Representative to the National Division for the current year.—*Lost.*

Moved by Rep. T. Nixon, seconded by Rep. W. Davidson,—That, whereas on account of the low state of the funds of this G. D., it is inexpedient to send to the N. D. more than one paid Representative for the present year; and that Representative A. Farewell, P. G. W. A., be the paid Representative.—*Carried.*

The Committee on Finance submitted a Second

R E P O R T.

COMMITTEE ROOM, TORONTO, Oct. 26th, 1855.

To the Officers and Members of the Grand Division of C. W.

The Committe of Finance beg further to report—That having examined the Communication from the M. W. Scribe, No. 21, claiming from this Grand

Division \$224 56c., find the same correct, and recommend the same to be paid as soon as the funds of the G. D. will admit.

All of which is respectfully submitted,

B. F. PERRY, *Chairman*.
M. SWEETMAN,
H. PIPER.

On motion adopted.

Moved by Rep. Rev. J. McKellican, seconded by Rep. J. Breakenridge,—That the Grand Division deem it exceedingly desirable and important, that all Ministers of the Gospel throughout this Province, continue in the course which has been so frequently urged in time past by this body—to press upon the people of their respective charges, the claims of the Prohibitory Liquor Law.—*Carried*.

On motion Resolved,—that the Editor of the *Globe* be requested to insert the foregoing resolution in his paper, and that he would further request all Editors friendly to the cause to give it a gratuitous insertion.—*Carried*.

Moved by Rep. J. W. Woodall, seconded by Rep. J. Breakenridge,—That the sum of £1 5s. be paid Bro. Mowat for his attentive services as Messenger to this Grand Division during the Session.—*Carried*.

Moved by Rep. J. Rymall, seconded by Rep. J. Breakenridge,—That 1200 copies of the proceedings of the present Session of the G. D., be published for the use of the Subordinate Divisions and D. G. W. P.'s, and that the number over and above that required for the above purpose be offered for sale at cost.—*Lost*.

Moved in amendment by Rep. T. Nixon, seconded by Rep. B. F. Perry,—that the Grand Scribe have 2000 copies of the proceedings of the present Session of the Grand Division printed, and that a charge of 7½ be made for each.—*Carried*.

Moved by Rev. R. Dick, seconded by Rep. J. W. Woodall,—That it is highly desirable that direct efforts be made to extend the influence of our Order of the Sons of Temperance, as it is becoming more and more obvious that upon it devolves nearly the entire labor of sustaining and carrying forward the Temperance Reform.

Moved and seconded that the discussion cease.—*Carried*.

The resolution was then put and *Carried*.

Moved by Rep. B. F. Perry, seconded by Rep. Rev. J. A. Williams,—that some one or more Brethren be appointed by this Grand Division to visit Subordinate Divisions, and neighborhoods where Divisions have existed, and other places, for the purpose of extending our Order; and that they report to the Grand Scribe the result of their labors, previous to the May Session of this Grand Division.—*Lost.*

Moved in amendment by C. H. Van Norman, G. W. A., seconded by Rep. P. J. Roblin,—that Subordinate Divisions in the several Townships and Counties be recommended to unite together, and appoint suitable persons to visit the respective Divisions, with a view to stimulate them to renewed energy in the Temperance cause; and also to resuscitate defunct Divisions, and to organise new ones where desirable.—*Carried.*

Moved by Rep. A. Farewell, seconded by the Grand Scribe,—That the thanks of this Grand Division be tendered to our esteemed Brothers Rev. W. Scott, G. Chaplain, and J. Hall, G. W. A., of the Grand Division, Canada East, Delegates from that body, for their cordial and kind greetings, and for valuable suggestions given, and assistance rendered during this Session of the G. D.

The delegates from Canada East eloquently addressed the Grand Division; their interesting observations were listened to with deep attention, and on taking their seats received from the members the warmest marks of approbation.

Moved by Rep. A. Farewell, seconded by Brother J. Moffat,—that the G. Scribe address a circular to all the Subordinate Division, informing them of the action of the Grand Division with reference to extending the influence of the Sons of Temperance, and urging them to efficient and zealous action in the object contemplated.—*Carried.*

Moved by Rep. C. Manson, seconded by Rep. C. McKellican, That the thanks of this G. D. are hereby unanimously tendered to our Brethren of Toronto for their hos-

pitality, and kindness to the members of this body while in Session.—*Carried.*

The business of the Session having been concluded, and after service by the Grand Chaplain of the Grand Division, on motion adjourned to meet at Prescott on the Fourth Wednesday of May next.

EDWARD STACEY,

GRAND SCRIBE.
